Server -०१ २. Workstation-०२ ३. Laser printer-०१ ४. Scanner-०१(ADF) ५. Biometric device-०१ ६. Switch २४ port-०१ <p>will be provided by the society. However for online mutation the successful bidder will have to provide</p> <ol style="list-style-type: none"> १. client PC-०१ २. Laser printer-०१ <p>and land connection or connectivity from sub-registrar to Setu.</p>

Sr.No.	Queries raised by the Bidder	Ref.no.	Answer
	Non technical points:		
४)	<p>If under or lowest quoting of rate will be there, what this will be critically analyzed? If the L_१ (under quote) will be awarded and fails to execute it, what bank guarantee will be forfeited? What the L_२ will be allowed immediately to execute the SETU at its quoted rate with same terms and conditions. What will be the maximum limit of quote?</p>		<p>yes will be critically analyzed. yes bank guarantee will be forfeited and recovery of all costs and losses sustained by the society will be liable to be recovered from L_१ Awarding the tender to L_२ will be decided by "the society" on case to case basis.</p>
५)	<p>What the priority/preference will be given to the vender or agency to award the tender which have an experience of executing SETU`s satisfactorily at Solapur District or Tahsil after technical qualification and having satisfactory experience certificate?</p>		<p>The decision will be taken by "the society."</p>

Sr.No.	Queries raised by the Bidder	Ref.no.	Answer
६)	Rates for property card are asked, since २००३ the property cards are not updated to the computer, how its possible to issue through SETU? Who will do updating; server and nodes needed for the same will be provided by successful vendor or through SETU samiti.		The process will be as per the instructions which will be recived from The Settlement Commissioner.
७)	Rates for mutation certificates of record room are not asked. Please add the same in annexure xv(A).		Rates will be same as per Annexure xv(A) (३)
८)	Daily collected amount at SETU will be deposited at whose account? Either Tahsildar or Collector. Who will do the repayment to the agency and when?		Please refer section III, page no ६६ (११)

Sr.No.	Queries raised by the Bidder	Ref.no.	Answer
୧)	<p>As per the tender the mutations of ଓ/୧୨ are done by the vendor. Please ask for the separate rate and please add the same in annexure xv (A). we are requesting the same as you are going to provide PDF CD s to CSC or Maha-E-seva Kendra to sale ଓ/୧୨. How it,s countable that the CSC has sold how much ଓ/୧୨? What this is logical that the SETU vendor will update the ଓ/୧୨ and CSC will sale. Please streamline or channelize all certificates issued by CSC through SETU till Mahaonline Service will not get started.</p>		<p>Bidder has to provide man power for ଓ/୧୨ and crop updation as per tender document</p>
୧୦)	<p>What the tender will be awarded to the agency that,s having technical knowledge of SETU and ଓ/୧୨. As the ଓ/୧୨ updating is continues process, please award the tender to the agency who is having full fledged knowledge.</p>		<p>Policy decision will be taken by "the society."</p>

Sr.No.	Queries raised by the Bidder	Ref.no.	Answer
११)	What the agreement will be done on १०० ropee,s stamp paper? And with necessary annexure.		The successful bidder has to execute the agreement on the stamp paper of the value as per prevailing Govt.rates for stamp duty and the agreement will be registered as per relevant law.
१२)	What the rates for application form sale rates and an application writing charges will be finalized by District E-Governance committee after finalization of bid and allowed to collect by successful bidder.		As per the Circular from Collector and Chairman, SETU Solapur dated ३.१.२००३.
१३)	As per the tender pre-qualification criteria point no.२.१.६ the demonstration is given in pre-bid meeting but please ask for the demonstration after technical qualification of a bidder.		Demonstration is to be given if required as per the decision of tendering committee or "the society."

Sr.No.	Queries raised by the Bidder	Ref.no.	Answer
१४)	Please allow the time of ६०-९० days to successful bidder after issuing letter of intent for procurement and installation of hardware, software man power deployment, electrification work, civil work and other necessary work as at present up to the September and the season is going on and rush is there in SETU s It s difficult to work in day hour, so allow the successful bidder to work in night hours.		Policy decision will be taken by DeGSS as per the situation on case to case.
१५)	As per the power consumption at Tahsil SETU,s please change the Genset २० kva to ५-७.५ kva to avoid the unnecessary expenses on diesel. (२० kva Genset needs four liter diesel per hour)		Vendor has to provide the configuration as per the tender documents.
